

TORLYS Dressing

For TORLYS Uniclic® Cork, Hardwood and Linoleum Floors

DIRECTIONS FOR USE: Before applying TORLYS Dressing, clean floor with TORLYS Floor Cleaner, making sure all visible dirt has been cleaned off floor surface, and allow floor to dry. Thoroughly wet TORLYS Dressing applicator cloth with warm tap water. Wring cloth until lightly damp, and attach to applicator handle. Choose a 1.5 m² (16 sq. ft., or 4' x 4') area to start. (Diagram 1.) Spray Dressing over work area in horizontal "S" pattern (Diagram 2), leaving 20-30 cm (8"-12") between parallel lines (4-5 per section). Spray Dressing with bottle approximately 15 cm (6") above floor surface. Work in sections, applying Dressing to one 1.2 m x 1.2 m (4' x 4') section at a time, overlapping approximately 10 cm (4") while Dressing is still wet. 1 L of TORLYS Dressing covers 32.5-37.1 m² (350-400 sq. ft.). Spread Dressing with applicator to within 2.5 cm (1") of baseboard and floor edge trim. Start at lower left corner of section. Spread Dressing by pulling applicator through lines of Dressing, working around three sides of section, ending at bottom right (Diagram 3). Pull applicator in U turn, reversing direction along inside of wet perimeter to top left corner of section. Overlap wet edges approximately 5 cm (2"). In continuous "S" motion, spread Dressing over entire 1.2 m x 1.2 m (4' x 4') area until section is completely dressed (Diagram 3). Continue applying Dressing one section at a time until entire floor is coated. Sections will dry to touch in 10-30 min. Missed

areas can be swept with applicator head while section is still wet (within 2-3 min. of Dressing application) without leaving blemish when Dressing dries. Avoid walking on floor and do not reposition furniture and rugs until Dressing is tack-free dry to touch. When floor is completely dressed, remove applicator cloth from frame and rinse thoroughly with warm water. Wring out cloth. Repeat until rinse water is clear. Air dry applicator cloth before storing.

NOTE: Use only TORLYS Dressing on TORLYS Uniclic® floors. Specially formulated for TORLYS Uniclic® Cork, Hardwood, Linoleum and will not harm floors. Use of nonrecommended polishes or protectants may damage floors and void warranty.

CAUTION: Will cause mild eye irritation on contact. Will cause nausea, vomiting, cramps and diarrhea if swallowed. KEEP OUT OF REACH OF CHILDREN. Keep container closed. Remove and launder contaminated clothing. Avoid prolonged or repeated skin contact.

FIRST AID: In case of inhalation, breathe fresh air. Eyes: Immediately flush with cool water. Remove contact lenses, continue flushing for 15 minutes, holding eyelids apart to ensure rinsing of entire eye. Contact physician. Skin: Wash affected area with soap and water. If any irritation persists, contact a physician. Ingestion: DO NOT INDUCE VOMITING. Rinse mouth and give 1-2 glasses of water. Consult physician immediately. Never give anything by mouth to an unconscious person.
