

TORLYS CORK FLOORING Topical Sealer*

The use of Torlys Cork Flooring Topical Sealer is mandatory for bathroom applications.

TOOLS:

- 10mm Nap Lint-free Paint Roller (do not use a plush mop as streaking may occur).
- Paint Tray
- Paint Brush for corners and wall lines

APPLICATION:

- The surface of the cork planks or tiles must be clean, dry and free from grease and floor-care products.
- Apply, freely, one coat of the sealer – do not leave any puddles and use a paint brush to do the corners and wall lines
- Do not walk on for 12-14 hours – total curing may take several days

COVERAGE:

- Approximately 110 sq. ft. (10 m2) per litre.

STORAGE:

- Store in a cool area in a well-sealed container - limited shelf life once opened.
- Keep from freezing.

IMPORTANT: - Use only Torlys IF 6STAIN on coloured plank/tile. The IF 6STAIN sealer is White in colour.
- Use only Torlys IF 5NATUR for non-coloured planks and tiles. The IF 5NATUR sealer is Caramel in colour.
